Advances in Applied Psycholinguistics: Volume 2, Reading, Writing, and Language Learning (Cambridge Monographs and Texts in Applied Psycholinguistics)

These volumes, part of the Cambridge Monographs and Texts in Applied Psycholinguistics, present contemporary, high-level reviews of research, theory, and practice in reading, writing, and language-learning and in disorders of first language development. Each review focuses wherever possible on the work of its author or authors. This series will help those involved in psychology, linguistics, education, and speech sciences keep abreast of major developments in the many sub-areas of applied psycholinguistics. Volumes 1 and 2 are bound together in cloth, but for greater accessibility are published separately in paper.
