## **Bargaining with the Devil: The Work of Colin Wilson in a Cultural Context** Nigel Bray

The writer, Colin Wilson, died on December 5th, 2013. He is on record as saying that he hoped by the time he died the world would have come to see the value of his work and his own significance in the history of ideas. This can't be said to have happened. Indeed the vast majority of journalists, critics, social historians and the like have either given him the cold shoulder or simply ignored him, and that is why this book is not a systematic or chronological study of his life and work, but an attempt to place him in a cultural context, and so provide grounds for a re-evaluation of his achievement.
