**Bible Stories Collection** Make Believe Ideas

**A charming collection of favorite Bible stories to teach and delight young children.**

The new *Bible Stories Collection* illustrated by Lara Ede contains a fantastic new set of well-known stories from the Bible. Each little book tells the story of a different character in the Bible and the six books can be stored together in this cute box set, that has a carry-me handle so children can take it to read anywhere they like. The box opens up at the front to display the six books, and a plastic window shows the books hidden inside. The board book format of the books and their small size is not only cute but makes them easy to hold for little hands. The stories make a great and simple introduction for young children learning for the first time about Jesus and the Bible.

Books included: *Creation, Noah and the Ark, The Story of Moses, The Lost Sheep, Feeding of the 5,000, and The Easter Story.*
