Economics For Business David Begg, Damian Ward

Economics for Business, 3rd edition, is an essential introduction to economics, tailor-made for business students. The text demonstrates the relevance of applying economics principles to solve business problems, using a unique business first approach. Key economic theories are clearly explained within the context of modern business, drawing on a wealth of contemporary examples to bring the topics to life. The pedagogy allows students to consolidate their learning and equips them with the economic tools to confront real business situations.
