Manifesting 123 is a simple guide in plain language that will quickly empower you to make marvelous changes in your life. This is the go-to manual, the simplest way to be where you wish to be. This is not an ordinary manifesting or law of attraction book. You will learn how your thoughts actually form up and how to make them work for you. There are amazing stories in this book, some spectacular. Get this book and start pointing yourself toward happiness!

Ken has experienced sending objects in thought and having them appear in the home of someone gifted enough to describe what had been sent. Ken learned that intentions instantaneously start to manifest on the 'other side'. This is a results-oriented book. Over and over, people tell him about their successes with Manifesting 123. They say, "It just works!"

Ken says, "I was fortunate. I directly learned that thought creates and does so immediately. In this book I'll relate how thoughts begin to form up in the non-physical world and how you can bring them into your life simply and efficiently! This is so easy you don't even need #3...but it is very powerful to know! Did I tell you there's a bonus?"

What would you like to have in your life? How would you script your life if you had the chance? What are your wishes? Do you long for better?

In a very short time, you will have the basic tools to answer these questions and create the dreams you seek.
