**One Day in the Life of Ivan Denisovich: (50th Anniversary Edition) (Signet Classics)** Alexander Solzhenitsyn

In the madness of World War II, a dutiful Russian soldier is wrongfully convicted of treason and sentenced to ten years in a Siberian labor camp. So begins this masterpiece of modern Russian fiction, a harrowing account of a man who has conceded to all things evil with dignity and strength.

First published in 1962, it is considered one of the most significant works ever to emerge from Soviet Russia. Illuminating a dark chapter in Russian history, *Ivan Denisovich* is at once a graphic picture of work camp life and a moving tribute to man's will to prevail over relentless dehumanization.
