However, there is another view of life, which holds that wherever the crowd is, there is untruth... Soren Kierkegaard The purpose of the book is to help individuals come out of their crowds and into their calling, not just for the hope of each life, but for the sake of the world. Change on a large scale starts in a very small way. I call it the Rosa Parks Philosophy. When she chose to take a stand by keeping her seat, the world started to change. A great movement began with one person. Scott Peck referred to the power of the individual this way, The whole course of human history may depend on a change of heart in one solitary and even humble individual.... For it is in the solitary mind and soul of the individual that the battle between good and evil is waged and ultimately won or lost.
