The devotionals in this book have been written for moms with young kids as an encouragement for those tough days every mom has. I was a part of a group called MOPS (Mothers of Preschoolers) in my community for many years. This book is filled with devotionals I wrote during the time I put together our group's monthly newsletter. I recently graduated the group when my daughter began first grade, but I am still privileged enough to continue writing devotionals for their monthly newsletter. I am by no means an expert in the "mommy field" and these are not professional writings. The devotionals in this book are just my thoughts and feelings as I journey down this adventurous road as a mom of young kids.
