The 1999 edition of *The Best American Poetry* will exceed the expectations of the many thousands of readers who eagerly await the annual arrival of this "truly memorable anthology" (*Chicago Tribune*). Guest editor Robert Bly, an award-winning poet and translator -- famous, too, for his leadership role in the men's movement and his bestselling book, *Iron John* -- has made selections that present American poetry in all its dazzling originality, richness, and variety. The year's poems are striking in their vibrancy; they all display that essential energy that Bly calls "heat," whether the heat of friendship, the heat of form, or the heat that results when a poet "brings the soul up close to the thing" he or she is contemplating. With comments from the poets illuminating their work, *The Best American Poetry 1999* reflects the most exciting and memorable poetry being written at the end of the millennium.
