Join Tim and Sally as they embark on a learning adventure about the joys of vegetable gardening. Written in verse and perfect for early readers, *Tim and Sally's Vegetable Garden* teaches the mechanics of planning and sowing a garden, seen through the eyes of children experiencing it for the first time. With their dog, Flip, by their side, the whole family plans, plants, and tends their garden, eagerly awaiting the harvest and the thrill of eating food they had grown. This nostalgic, illustrated tale is reminiscent of an earlier time, where family works side-by-side and enjoys the simplicity and the wonder of discovery.
