**Worship Is a Verb: Eight Principles Transforming Worship** Robert E Webber Th.D.

Worship. It isn't an entertaining showcase for a talented soprano or a lecture on textual criticism or a pleasant weekly reunion of friends and family. Instead, true worship is a joyous celebration of the life, death, and resurrection of Jesus Christ. And as we actively turn our hearts toward God in earnest praise of God's great works, God in turn speaks to us and blesses us with a healing and renewing touch.

In this life-changing and dynamic book, Robert Webber declares that worship is not "something done to us or for us, but by us." It is the most exhaustive demonstration of our faith and the most intimate form of relationship we can have with our Savior. Complete with a guide for group or personal study, "Worship Is a Verb" will show you how to leave the dull confines of the pew and enter the courts of the Living God.
