## **Detroit 67: The Year That Changed Soul** Stuart Cosgrove

It's January 1967—and one of the worst snowstorms in decades is blanketing Detroit, Michigan. Berry Gordy, owner of Motown Records, is trapped in his home, unable to do anything about the internal war ravaging his most successful group, The Supremes. Diana Ross, Mary Wilson, and Florence Ballard are imploding as Ballard battles alcoholism and the aftermath of rape. But soon, even more chaos will descend on Detroit. As the year heats up, melting the snow, Gordy and his city face one of the most challenging periods of its existence.

Experience twelve turbulent months, in twelve chapters, as rising crime, the Vietnam War, underground rock counterculture, and race riots alter the face of Detroit and force soul music studios to shutter their windows. The death toll escalates as Detroit brings its dead home from the jungles of Vietnam—many of them young men from the Motown generation. Live the year of crisis that follows the deterioration of its main characters and twists them into a full-scale legal dispute, potentially unraveling the city's very heart and soul.

Every city has its scars, and every scar has its story. *Detroit 67* is the passionate history of Detroit's darkest periods in the modern era.
