*Book two of The Triton Experiment*

Intergalactic mercenary Kat Darah has been ordered to keep her shape-shifting ability a secret from everyone but those closest to her, for her own safety. She's learned how to control the feral rage...for the most part. But when Lieutenant Rygard's military unit goes missing, she'll use every skill she has to find her man.

Lt. Christopher Rygard has witnessed his girl shift, and he still wants her. After Kat rescues him from alien clutches, he'd like nothing more than to wrap her in his arms again, but his first duty is to his men. And half of them have been shipped off-planet to be sold as slaves.

Kat and Rygard will need to form a new team to go deep undercover, posing as gladiators and learning to fight together in order to survive. In the arena, it's all about who is the strongest predator...
