Have I Got a Guy for You: What Really Happens When Mom Fixes You Up

Humorous and heartfelt, "Have I Got a Guy for You" lets us all share the bond that brings us together and helps us realise that we're all victims of the "big bad fix-up." Like a support group to carry around in your bag, "Have I Got a Guy" introduces the contributors' unique mothers, highlights the most interesting and amusing parts of their dates, and shows how they got suckered into going out with the mates their mothers found for them. These are funny, sad, real, and amusing stories that provide tangible, and sympathetic proof that we are not alone. In this colourful collection of miss-matches, readers will meet 25 victims of poor arrangements, well-meaning fix-ups, and just plain bad judgment calls. Through these tales, we can commiserate and laugh at others who have been through similar situations. Those lucky few who have been spared the mother-induced fix-up will enjoy reading the stories, thankful the dates didn't happen to them.
