Shark Week: Everything You Need to Know Discovery, Martha Brockenbrough

Gliding through the water at breakneck speeds--a fin, just skimming the surface of the water. The biggest jaws you've ever seen. These are the iconic images that flash through all our minds when we think of sharks, but there's so much more to know about these majestic predators of the sea.

If you're already a fan of the Discovery's phenomenon Shark Week, then you will love this book! From the unique look of the prehistoric Whorl shark, to the hunting techniques of the Great White, all the thrills and chills of Shark Week are now here for year-round reading. Filled with photos, first-hand accounts of shark attacks, and unbelievable facts (Did you know that there are sharks that live in volcanoes?), this book is for every shark fanatic who wants to get even more up close and personal.

Now you really can live every week like it's shark week.
