Foreign Gods, Inc. Okey Ndibe

From a disciple of the late Chinua Achebe comes a masterful and universally acclaimed novel that is at once a taut, literary thriller and an indictment of greed's power to subsume all things, including the sacred.

Foreign Gods, Inc., tells the story of Ike, a New York-based Nigerian cab driver who sets out to steal the statue of an ancient war deity from his home village and sell it to a New York gallery.

Ike's plan is fueled by desperation. Despite a degree in economics from a major American college, his strong accent has barred him from the corporate world. Forced to eke out a living as a cab driver, he is unable to manage the emotional and material needs of a temperamental African American bride and a widowed mother demanding financial support. When he turns to gambling, his mounting losses compound his woes.

And so he travels back to Nigeria to steal the statue, where he has to deal with old friends, family, and a mounting conflict between those in the village who worship the deity, and those who practice Christianity.

A meditation on the dreams, promises and frustrations of the immigrant life in America; the nature and impact of religious conflicts; an examination of the ways in which modern culture creates or heightens infatuation with the "exotic," including the desire to own strange objects and hanker after ineffable illusions; and an exploration of the shifting nature of memory, *Foreign Gods* is a brilliant work of fiction that illuminates our globally interconnected world like no other.

From the Hardcover edition.

From reader reviews:

Kristin Walker:

This Foreign Gods, Inc. book is absolutely not ordinary book, you have it then the world is in your hands. The benefit you will get by reading this book is usually information inside this e-book incredible fresh, you will get data which is getting deeper you read a lot of information you will get. This Foreign Gods, Inc. without we understand teach the one who studying it become critical in contemplating and analyzing. Don't possibly be worry Foreign Gods, Inc. can bring when you are and not make your case space or bookshelves' grow to be full because you can have it inside your lovely laptop even telephone. This Foreign Gods, Inc. having fine arrangement in word along with layout, so you will not really feel uninterested in reading.

Kathryn Kern:

As people who live in the particular modest era should be revise about what going on or facts even knowledge to make them keep up with the era that is always change and move forward. Some of you maybe will update themselves by reading books. It is a good choice in your case but the problems coming to anyone is you don't know which you should start with. This Foreign Gods, Inc. is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

Selma McDaniel:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Foreign Gods, Inc. can make you sense more interested to read.

Nichol Colby:

What is your hobby? Have you heard that will question when you got learners? We believe that that concern was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And you also know that little person just like reading or as looking at become their hobby. You have to know that reading is very important in addition to book as to be the matter. Book is important thing to add you knowledge, except your own personal teacher or lecturer. You find good news or update concerning something by book. Different categories of books that can you choose to use be your object. One of them is niagra Foreign Gods, Inc..
