Prosperity Secret Success in the New World Markus Rothkranz

"The Prosperity Secret" is one of the most important lessons you will ever learn. It is Markus Rothkranz's best book yet. If you have money issues and are not where you want to be in life, then you **MUST** read this book, not just for your sake, but for those who depend on you. It is your duty to prosper so you can help the world finally wake up and heal. You are not here to just pay bills and consume. You are here to make a difference in the world...and it's kind of hard to do that without money. Money alone does not bring happiness, but it does help bring freedom to your life and backs your mission. "Rich" doesn't mean money. It's having the freedom and resources to be yourself and live your dream... to do what you want anytime, anywhere, and help others and the world along the way. The richest people in the world become rich during hard times. They are no smarter than you. It has nothing to do with talent, skill, hard work, who you know, luck or even the economy. Stop waiting for others to save you. These people all have something in common, and you need to learn this **RIGHT NOW**. The world needs you. Stop wasting one more minute scratching just to survive. Stress will kill you faster than not eating right. We are entering a new world. This time we do things right. Forget affirmations. Forget the economy. This is Universal truth. This is what works.
