## **The Glow-In-The-Dark Book of the Human Skeletons (Glow-Backs)** Michael Novak

This introduction to both the solid science and spooky fun of the human skeletal system features a simple, fast-paced text which provides fascinating information about the human "framework." With the lights on readers see beautifully detailed paintings of children skateboarding, playing the piano, kickboxing, and more. When the lights go out, each skeleton glows--just like an x-ray! Full color.
