Often men are ridiculed for being men. The media portray them as sitcom buffoons; heartless, money-hungry corporate raiders; and angry criminals. Many men feel powerless and frustrated, unsure of their role in the family and beyond. The truth is that a man has great value and incredible impact on his family—and his world. In *The Hidden Value of a Man: Created to Lead, Empowered to Succeed*, Gary Smalley and John Trent explore that influence and show men how to use their God-given power to build strength, love, and unity in their families and the world.
