Facing a roomful of first-graders every day is easy for Grace, but the idea of falling in love terrifies her...

Grace Marshall believes in the power of love--for everyone but herself. When Brad's kisses make her knees weak, along with her self-control, she breaks it off. It was the right thing to do... So why does she feel so miserable?

Doctor Brad Gates is in love with Grace, has been since she first winked at him shortly after they met. The little dynamo is cute and fun and really loves life... but she's skittish where love's concerned. And it's driving him a little bit crazy.

Getting back together while avoiding the "L" word is a lot harder than Grace imagined... especially when Brad starts dating another doctor from work.
