**This classic of Japanese cultural studies explains the famous Japanese tea ceremony or *cha-no-yu* with great scholarship and clarity.**

In 1933, when A. L. Sadler's imposing book on the Japanese tea ceremony first appeared, there was no other work on the subject in English that even remotely approached it in comprehensiveness or detail. Having attained something of the stature of a classic among studies of Japanese esthetics, it has remained one of the most sought-after of books in this field. It is therefore both a pleasure and a privilege to make it available once again in a complete and unabridged digital version

The tea culture book is abundantly illustrated with drawings of tea ceremony furniture and utensils, tearoom architecture and garden design, floor and ground plans, and numerous other features of the cha-no-yu. A number of photographic plates picture famous tea bowls, teahouses, and gardens.
