Judas: The Last Days W. Maxwell Prince

Two thousand years after he betrayed Messiah, Judas Iscariot is still alive, wandering a world he doesn't recognize. A world where the strangest of fictions have come true: monsters, immortals, gnome-librarians who monitor human history-they're all real. And all Judas wants to do is kill himself. So why can't he? The most transcendent story of the year is here in this all-new original graphic novel chronicling history's preeminent backstabber and his quest for suicide.
