Finally it's just you and me...

I'll admit it, Joanie's been quite the **little brat** in the past, but a little **discipline** goes a long way. We've had our battles, but I think I've got her number. She **knows her place** and I'm really warming up to her. Now that she knows to obey the **man of the house**, I'm all out of reasons to punish her. I guess I'll have to think up some other excuse to **take what I want**.

This story is too hot to describe here; you'll just have to click **Look Inside** for the forbidden details!
