Joyland is an online and print literary magazine that selects fiction regionally. Praised for its unique approach by Time Out, the Atlantic, and the CBC, Joyland now brings its best stories into print with Retro Vol. 1. Issue 2. From writers both emerging and acclaimed come short stories about an indie Abraham Lincoln film that's heading towards disaster, a Miley Cyrus fan defending his unending obsession, and what happens when a woman tries to break up with the Incredible Hulk after a life long affair. As Quill & Quire wrote, "The future of literary magazines is already here."
