In a magnificent garden overlooking the ocean there grew a beautiful Sunflower. This was no ordinary Sunflower; her petals were as bright as the rays of the sun; her seeds were magical, full of light and love. People travelled from far and wide to see the Sunflower and feel her radiant energy. The Sunflower loved the garden where she lived. She especially loved it when the children played close by and her friends, the birds, butterflies and small animals would come to visit her. As time passed the beautiful Sunflower's life changed. The crowds that came to see her began to overwhelm her. She became sad and afraid, she could bear no more. With the help of her Angels, a wise old Goose and the power of the wind, the delicate Sunflower is taken to a place of peace and happiness. The Legacy she leaves behind is her Gift to the world; one that will live on in the hearts of the people forever. The Sunflower's Gift is a book for children and adults alike, inspired by the life and death of Diana, Princess of Wales. The title of the book was inspired by the true story told at the back of the book. The Sunflower's Gift tells Princess Diana's story in a simple, heartwarming way so that children might know this beautiful "Angel" that once graced the earth with her presence and understand the impact she had on humanity.
