Attacking with 1e4 (Everyman Chess) John Emms

Fed up with having to learn so much opening theory? Struggling to keep up with all the latest developments? Then this book may well be the answer to all your problems! Grandmaster John Emms offers a new arsenal of opening weapons with which to attack to your unaware opponents. Starting with the move 1 e4, the reader is armed with systems against all possible black defences. In each case learning ideas is more important than memorising long variations, so this repertoire should be ideal for players who don't have the luxury of being able to spend countless hours studying theory. Each line is easy to learn and play, but will they will still pose your opponent with difficult problems to solve over the board.

*All possible defences to 1 e4 are covered

*Written by a battle-hardened 1 e4 player

*Ideal for club and tournament players
