Barracuda: The Fighting Anthonys, Book 3 Michael Aye

Admiral Lord Gilbert Anthony and his brother Lieutenant Gabriel Anthony, fighting for the Crown during the American Revolution, find adventure, daring privateers, and a ghost ship.

The ghost ship *Barracuda* plies the waters off the coast of Saint Augustine in 1777. The *Barracuda* takes no prize and leaves no one alive. Tracking down the *Barracuda* is only one of the many challenges and battles the brothers face when assigned to protect Florida loyalists.

Facing the privateers, who know the surrounding inlets and rivers, affords a series of dangerous missions for the crew and costs them many men and a few good ships. As the war takes its toll, Gil yearns to return to England, while Gabe steals the hearts of local women.
