## Night Air Ben Sears

Plus Man is a roguish knave without equal, an antihero in his own mind. His coolheaded robot, however, knows better. This odd couple has just been given a break: a tip on a score of valuable alloy. The catch? The alloy is in a haunted castle. One *really* haunted castle. Like a young Indiana Jones with super science, Plus Man successfully bumbles his way through hair-raising heists and sticky situations.

**Ben Sears** is a cartoonist, illustrator, and musician born and raised in Louisville, Kentucky, where he continues to live and work. His Double+ characters have appeared in a number of zines and online anthologies, where the protagonist is usually in over his head.
