The Devil's Teardrop Jeffery Deaver

New Year's Eve, 1999. A grisly machine gun attack in the Washington, D.C. subway system leaves dozens dead and the city crippled with fear. A note delivered to the mayor's office connects the massacre to the Digger, an emotionless assassin programmed to wreak havoc on the capital at four-hour intervals, until midnight. Only a ransom of 20 million dollars delivered to his accomplice - and mastermind - will end the death and terror. But the Digger becomes a far more sinister threat when his accomplice is killed in a freak accident while en route to the money drop. With the ransom note as the single scrap of evidence, Special Agent Margaret Lukasa calls upon Parker Kincaid, a retired FBI agent and the top forensic document examiner in the country. Somehow, by midnight, they must find the Digger - before he finds them.

The inside or content is usually fantastic as the outside or even cover. Your reading 6th sense will directly show you to pick up this book.

Donald White:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Devil's Teardrop can make you really feel more interested to read.
