Brie's 5th week of sub training is challenging as she surrenders her will. Brie enjoys the thrill of objectification and the challenge of completing erotic tasks. With the end of the course around the corner, the trainers encourage Brie to dig deep. Marquis presents her with a scene she ended in the past, Tono displays the art of suspension, and Faelan releases Brie's inner animal with chocolate.

This bewitching novelette will wet your appetite for objectification, tease you with a little rope action, and have you panting for milk chocolate.

The girls are quickly coming to the end of their submissive course, which means their trainers are becoming increasingly demanding. The pressure begins to tear at their friendship, but Brie is a determined little sub. She bravely faces Marquis' challenging scene, revels in the joy of suspension with Tono, receives vindication from Master Coen, and learns a thing or two about respect from Ms. Clark. Brie's attempt to bring her friends back together ends up getting them all in trouble, but the punishment draws Brie closer to the Dom who decreed it.
