Choices and Illusions: How Did I Get Where I Am, and How Do I Get Where I Want to Be? Eldon Taylor

This fascinating book holds an important key. Whether you're interested in the science of thinking and beliefs, how your own mind operates, how others control your thoughts, why things just don't work out for you, how you can create the life you've always wanted, how you can realize your true potential, how you can find peace, or, on a grander scale, how you can help make the world a better place, this book provides insights for all. Simply reading it will open your eyes to new worlds of possibilities. You'll change once you're exposed to the illusions most live under and by, and putting into practice any of these very simple teachings will open the door for you to achieve your highest potential.

Choices and Illusions tells the story of one man's journey into the workings of the human mind and our reason for being. The adventure is every bit as exciting as the best scientific discoveries. Eldon Taylor's approach is pragmatic, and his conclusions are inspirational and soul enhancing. Along the journey, you'll hear fantastic stories of divine intervention, see why you think and do what you don't wish to do, and understand the very clear message that it's never too late to be happy and succeed, regardless of your past actions.

Eldon says, "Many believe that self-help and self-improvement is about rags to riches, failure to success, and so forth, when indeed it's the beginning of a journey into self-discovery. Inside every human being is an eternal truth and a life purpose. Using our mind power is simply starting the engine on that path toward highest self-actualization."
