E CAT 70 Comes Home Mr Julian Robert Henshall

A book for all E-Type enthusiasts and classic car lovers in general. Detailing the fascinating story of this car from new. Giving a guide of how we totally rebuilt this car using modern day techniques showing how this can be accomplished by an enthusiast on a limited budget, from people who have worked in the accident repair and restoration business for most of their lives. I have included many photographs showing various stages of the restoration and of the completed car.
