Giving Up Control: BDSM Erom Short Michelle Cummings

Reece stood beside the bed and looked down at her like he was surveying her. “Now, you’re going to let me take over from here, right?” he asked, edging one knee up onto the bed, bringing himself nearer to her. His slow approach reminded her of a predator approaching its prey, but she wasn’t afraid. Devon was excited.

Devon has had a terrible day and she knows there is only one thing that can help her feel better: some alone time with her friend-with-benefits, Reece. Despite the fact that she’s developed deeper feelings for him, Devon likes to do some no-strings-attached experimentation with Reece. **He asks her to give him control for the night so they can try some new toys he’s bought, but giving him control comes with an unexpected admission.**
