Milestones in European Housing Finance (Real Estate Issues)

This book provides evidence on how housing finance markets developed across Europe. The objective of the text is to bring together up to date material from across Europe which will help to clarify (i) how national housing finance markets have dealt with the challenges of deregulation and privatisation since the 1980s,(ii) how the financial crisis has impacted on the structure of the industry and the range of financial instruments available, (iii) how governments and the EU have responded to increasing risks and higher indebtedness in most West European countries and the need to grow new finance? markets in Eastern Europe, and (iv) how changing? housing finance markets impact on the capacity to provide adequate affordable housing into the future.
