Petite Confessions: A Humorous Memoirette with Sassy Drink Recipes Vicki Lesage

#1 in Humor and #1 in Bartending

From champagne bottles to baby bottles, this memoirette offers a humorous look at an American mom's decade in Paris. Party girl Vicki moved to the City of Light hoping to drink her fill of wine and fall in love. She accomplished her goal, but not without bumps along the way: romantic encounters gone awry, uniquely French situations threatening her sanity, and two adorable yet energetic kids keeping her on her toes. This memoirette takes you on a journey of the ups and downs of Vicki's life abroad.

And each story is paired with a delicious cocktail recipe! You'll enjoy drinks like the Sangria Spritzer, Pretty Good Bloody Mary, and Teeny Bellini.

You'll laugh, you'll cry, you'll want to pour yourself another drink.

A funny memoir about life in Paris, this collection of humorous essays shows the funny side of life, love, and raising a family in the City of Light.

Interview with the Author

What was your inspiration to write the Confessions series?

After a few too many drinks at the bar, I either turn to storytelling or karaoke. I'm much better at storytelling—or so my friends say! They encouraged me to put my tales to paper, and thus was born my series of memoirs, essentially a collection of funny true stories.

OK, so they're technically memoirs. But they seem different than traditional memoirs. How would you categorize them?

Most of the bestselling memoirs are written by celebrities, who already have a huge audience. I had to choose a different angle in order to stand out, so I went for humor. I hope people enjoy my funny short stories, which have been compared to chick lit except they're true! I also talk about my travels, so my books would appeal to anyone who likes travel humor and travel memoirs by women. *Confessions of a Paris Party Girl* is a coming of age memoir with heavy doses of drinking humor, while *Confessions of a Paris Potty Trainer* is a motherhood book that falls into the parenting humor or pregnancy humor categories.

Yikes... Those are practically spoilers!

Sorry! Between my French last name and my author bio, I think the cat might already be out of the bag. However, even if you have a rough idea of how it all ends, you have no idea how rough it was getting there until you read my books!

Aren't there already so many memoirs, and ones about Paris in particular? Why should I choose yours?

It's true, there are some really great Paris memoirs out there. The fact that I have read (and enjoyed!) so many bestselling memoirs myself makes me think it's a popular genre for a reason. We're always thirsty for another sip of Paris, right? To travel to Paris through the pages of a book... to fall in love with Paris again!

In what order should I read the books?

Each book can stand alone, but like fine wine and pungent cheese, they go great together. I recommend the following order:

- Petite Confessions: A Humorous Memoirette with Sassy Drink Recipes
- Confessions of a Paris Party Girl: A Humorous Travel Memoir
- Confessions of a Paris Potty Trainer: A Humorous Parenting Memoir
- Christmas Confessions & Cocktails: A Humorous Holiday Memoir with Sassy Drink Recipes
- Confessions & Cocktails: A Humorous Memoirette with Sassy Drink Recipes

If you enjoy funny true stories, and want to see the crazy things that happened to this American girl in Paris, you'll enjoy the Confessions series. Thanks for reading!
