The Sand Dollar

Michael Woodworth

The Sand Dollar Michael Woodworth

While walking on the shore of the Sea of Cortez a man has a remarkable dialog with the sea. Using the naturally occurring dove like structures found in sand dollars, the sea relates its past wars with the sun, the wind, the mountains, and the moon and addresses its ongoing war with man. The sea's explanation of the need for the fifth dove is guaranteed to leave a lasting impression with readers of all ages.
