Amy Stewart

Wicked Plants: The Weed That Killed Lincoln's Mother and Other Botanical Atrocities Amy Stewart

Beware! The sordid lives of plants behaving badly. A tree that sheds poison daggers; a glistening red seed that stops the heart; a shrub that causes paralysis; a vine that strangles; and a leaf that triggered a war. Amy Stewart, best-selling author of *Flower Confidential*, takes on over 200 of Mother Nature's most appalling creations in an A to Z of plants that kill, maim, intoxicate, and otherwise offend.

Stewart renders a vivid portrait of evildoers that may be lurking in your own backyard. Drawing on history, medicine, science, and legend, this compendium of bloodcurdling botany will entertain, enlighten, and alarm even the most intrepid gardeners and nature lovers.
