***This is not the entire Blue Phoenix series.***

The remaining books in the series are standalone books featuring other members of the band.

***Summer Sky (Blue Phoenix #1)***

**Sky changed her life for a man once, and she has no intention of doing it again - even if he is a six foot, tattooed rock god who makes a mean bacon sandwich.**

Sky Davis is fed up with boyfriend Grant taking her for granted and when she comes home to find him wearing a girl, Sky suspects the relationship is over. She takes an unscheduled holiday and leaves the life (and guy) she hates behind.

Rock star Dylan Morgan is struggling with fame and infamy, sick of his life being controlled by other people. Dylan cuts his hair and walks away from his role as lead singer of Blue Phoenix, leaving chaos and speculation behind.

Outside the English seaside town of Broadbeach their cars and worlds collide.

***Falling Sky (Blue Phoenix #2)***

**Sky's world turned upside down when she met rock star Dylan Morgan, and exploded when she discovered his hidden past.**

Four months after Sky learns Dylan's devastating secret, she's trying to piece her life back together. Without an explanation from Dylan, Sky has no choice but to try and forget him.

Dragged back into the life he ran from, Dylan continues to spiral downwards as he copes with his fame the only way he knows how. Shattered by the revelation Sky knows his darker past, he forces himself to return to England and explain.

Sky and Dylan reconnect, attempting to build on the shaky foundations of their summer. But the outside world continues to conspire against them.

Taking place in the epicentre of the Blue Phoenix world, Sky and Dylan's story continues amongst the chaos surrounding the band and its members.

***Summer Star (Blue Phoenix #1.5)***

A companion novella to *Summer Sky*, a retelling of Part One from Dylan's point of view.

**Dylan Morgan has lived and breathed his life as lead singer of Blue Phoenix for eight years and now it's suffocating him.** On the verge of a breakdown, he cuts off his signature long-hair and walks away from the band.

Returning to a place from his childhood, Dylan's life collides with Sky Davis, the girl who doesn't know or care who he is. Usually girls fall at his feet in a star-struck heap, so Dylan is intrigued by and attracted to the girl who'd rather read about hot guys in books than succumb to his charms.

What follows is an unsuccessful battle to keep his rock star ego under control and his hands off Sky. The harder Sky fights her attraction to him, the harder Dylan tries to get her attention. But a girl like Sky needs more than a smouldering look and a bacon sandwich to win her over.
