Confessions of a Grey-Haired Englishman: The Omnibus Edition Clemency Jopling

A note from Clemency Jopling: This is the Omnibus edition (over 100,000 words) of the best-selling Confessions of my old friend and former colleague, Mr Bernard Thompson. The Confessions are largely a record of Bernard's lifelong sexual interests. As such, they are intended for adult readers only. The Confessions were first published in three separate parts (all of which are still available, through Amazon, in both Kindle and paperback editions). However, in response to requests I have rolled the three parts together into one volume, which is published at a considerable discount on the purchase price of the three parts as separate items. When Bernard died, he left the manuscript of his memoir to me, and asked me to edit it and arrange for it to be published – which I was glad to do. Bernard begins his story in 1950, when he was twenty-three years old. And from the very first sentence we realise that, as he matured, his interests were focused on what is now called BDSM, though in those days it was more commonly referred to as spanking, or corporal punishment. Early in Part 1, Bernard gives an account of the curious practices of his landlady, Mrs Calkit. At her request, Bernard agreed to witness Mrs Calkit's daughter being punished with a strap and a cane; after that there was no doubt what he enjoyed most in the sexual sphere. But you must not imagine that Bernard was some kind of monster. On the contrary, his relationships were always consensual, and when circumstances required he was a compassionate and generous friend. I was very fond of him, not least because of his dry sense of humour. All parts of Bernard's life story provide insights into the sexual habits of the English in the second half of the twentieth century. And of course, towards the end of his memoir, in Part 3, Bernard tells us all about his duties at the famous Mrs Smith's Academy, where he was the Bursar and I was the Librarian and Archivist. Mrs Smith's was, and is, famous for imposing strict discipline upon the young ladies who are educated there, and Bernard's skills as a firm but just disciplinarian were put to extensive use. Genre: Fiction>erotica>England>late twentieth century>heterosexual bdsm>consensual spanking and caning>straight M/F sex
