This books aims to do just that – to empower kids to a point where they could put a great supper on the table (with a bit of help/guidance for the first few years) and then give them a few exotic dishes with which to show off. Alongside the classic recipes for muffins and a great birthday cake, you will also find nutritious ideas such as fish en papilote, adventurous stir fries, vegetable slaws or homemade granola. 50 recipes will teach the basic skills and offer variations to build on those skills. With easy-to-follow step-by-step photography, a fun graphic style to the food facts and kitchen safety, plus loads of basic info on how to shop, plan and balance your diet, this is the book to get kids cooking properly for life.
