Simone de Beauvoir

El marqués de sade (Spanish Edition) Simone de Beauvoir

""Sade ha intentado convertir su destino psicofisiológico en una elección moral. Y de ese acto, mediante el cual asumía la responsabilidad de su apartamiento, pretendió hacer un ejemplo y un llamado: es allí donde su aventura asume tan amplia significación humana. ¿Podemos, sin renegar de la individualidad, satisfacer nuestras aspiraciones a lo universal? ¿O es solamente mediante el sacrificio de nuestras diferencias que logramos integrarnos en la colectividad? Este problema nos atañe a todos. En el caso de Sade, las diferencias son llevadas hasta el escándalo y la magnitud de su tarea literaria nos revela con cuanto apasionamiento ansiaba ser aceptado por la comunidad humana. El conflicto que ningún individuo puede eludir sin mentirse, se presenta en él en su forma más patética. Aquí reside la paradoja y en cierto modo el triunfo de Sade: en el hecho de que, por haberse obstinado en sus singularidades, nos ayuda a definir el drama humano en su generalidad.""
