The Nose (The Art of the Novella)

Nikolai Gogol

The Nose (The Art of the Novella) Nikolai Gogol

A masterpiece of satire and a key work of the Russian "fantastic" movement. One of the most celebrated tales in Russian literature.

Collegiate Assessor Kovalyov awakens to discover that his nose is missing, leaving a smooth, flat patch of skin in its place. He finds and confronts his nose in the Kazan Cathedral, but from its clothing it is apparent that the nose has acquired a higher rank in the civil service than he and refuses to return to his face.

THE ART OF THE NOVELLA

Too short to be a novel, too long to be a short story, the novella is generally unrecognized by academics and publishers but beloved and practiced by literature's greatest writers. The Art of the Novella Series celebrates this renegade art form and its practitioners. The series has been recognized for its "excellence in design" by AIGA.
