This is NOT a Fairy Tale:: How I Found Love Online and Almost Lost My Mind Kellie Tayer

On February 26, 2013, Kellie Tayer did something extraordinary. She conjured up a real, hot-blooded, Latin lover right in her own bedroom simply by tapping the Random Opponent key in the game Words With Friends on her iPhone. That innocent action was the beginning of an odyssey that would take Kellie from her home in Cleveland to the Texas countryside where she would marry her Latin lover and settle into her new life with him in his castle complete with a white horse, in the form of a white Chevy Silverado. But a few months into this fairy tale, her new husband would begin to exhibit changes that foretold the heartbreak that awaited her. This is a true story of what happens when once upon a time doesn't end with happily ever after.
