I've given myself over to the beast...

The beast inside me, clawin' to get out--and the beast inside him. Inside Quentin, the Boucher brother I know I'm fallin' head over heels for... which makes him the most dangerous monster of them all.

Because how can a good little girl like me be safe, when a monster takes her heart? When a monster devours her? When a monster breeds her, and takes away all that makes her human in a night of heathen sex and a passion that will not be denied...

And what does that say about me? If I let a monster take all of my love? If I let a monster into my most intimate places, and give myself fully to him?

Part of me fears I already know the answer.

That I, little Trixie Gordon, the one who's supposed to save Cattail Creek from the things that go bump in the night, was the real monster all along...

This 6000 word installment is part 4 of the thrilling, sensual series, FED TO THE WOLVES, by best-selling author, Delilah Fawkes!
