**It's In The Bag, A Breast Cancer Survivor's New Experiences-**

You can definitely make something beautiful out of a crisis. I started out in a very dark world, and now I am in a very good place in my life. I have never looked back and am very grateful and thankful for a second chance in life. I have God and my caretakers to thank for that.

Every story in this book is true. I had the greatest pleasure to endure each and every one. They have touched my heart in many ways.

You need to believe, and the magic could come into your life, and you can experience the same magical experiences that I have endured in my life.

After all my new experiences, angel encounters, speeches and book signings, I talk about what I have taken away from that experience or what I have learned from it.

Enjoy each chapter, and the magical experiences.
