Marcus (Hell Squad) (Volume 1) Anna Hackett

In the aftermath of a deadly alien invasion, a band of survivors fights on...

In a world gone to hell, Elle Milton--once the darling of the Sydney social scene--has carved a role for herself as the communications officer for the toughest commando team fighting for humanity's survival--Hell Squad. It's her chance to make a difference and make up for horrible past mistakes...despite the fact that its battle-hardened commander never wanted her on his team.

When Hell Squad is tasked with destroying a strategic alien facility, Elle knows they need her skills in the field. But first she must go head to head with Marcus Steele and convince him she won't be a liability.

Marcus Steele is a warrior through and through. He fights to protect the innocent and give the human race a chance to survive. And that includes the beautiful, gutsy Elle who twists him up inside with a single look.

The last thing he wants is to take her into a warzone, but soon they are thrown together battling both the alien invaders and their overwhelming attraction. And Marcus will learn just how much he'll sacrifice to keep her safe.
