## A STAND ALONE ALIEN ROMANCE!!!

### Four Lettered Cliché

My entire life, I never stayed anywhere long enough to leave a footprint. But that was before I met Xam.

For as long as I can remember, love was a four-lettered cliché. Love would send many of the greatest people who ever lived into a downward spiral. And I am not just referring to romantic love. I am speaking on a higher level generalizing every variation of the word.

Love toys with emotions and plays with your mind. People do terrible things when they fall in love. That is why I vowed to be nothing more than tolerable.

If you don't give anyone a reason to expect anything of you, they won't. Or at least that is what I thought until I fell into that nasty four lettered cliché.

The problem: I had no idea how to love anyone let alone someone from an alien planet.

Xam was different. From the moment that I first laid eyes on him I knew there was more than what appeared on the surface. But this was the point where my life started plummeting into its inevitable downward spiral.
