Elizabeth Bennet's girlish dreams of love and romance are shattered. Her father has decided she will be the one to secure her family's future through a marriage of convenience to his heir. Disappointment and sadness weigh her soul when she travels with her aunt and uncle—a consolation before she submits to duty. When she sees the reflection of her heartbreak in the face of an unknown young lady, Elizabeth reaches out to the girl, extending a hopeful outlook she herself has been denied. Mr. Darcy regrets missing the opportunity to know the pretty stranger who helped his grieving, younger sister rise above her sadness. Hope keeps him seeking her face in every crowd. As time passes it seems the woman he admires might be an ephemeral dream born of his heart's desire. Darcy finally finds her when he is forced to visit his friend, Mr. Bingley, but is she already taken? Can he restore hope to this woman he barely knows? Will she let him? Based on Jane Austen's *Pride and Prejudice*, this novella, *Yes, Mr. Darcy*, is a sweet historical romance from bestselling author, J. Dawn King. Bonus: Read the first chapter of J. Dawn King's upcoming full-length novel, "The Abominable Mr. Darcy." It is scheduled for release June 2016. Note: This story takes about an hour or so to read and is approximately 25,000 words. Enjoy an afternoon break or a late night read that you can finish in one sitting.
