Children's Book: Danny and Jenny Bacteria (educational & funny bedtime stories collection) (Educational & funny series of Bedtime Stories Book 1) Daniel J. Smith

This is a delightful story about a cute little boy named Danny who does not like to brush his teeth. Danny's disappointed parents try everything they can think of to make Danny like brushing his teeth, but they meet with very little success. Danny's stubbornness causes a bacterial colony to build their new homes in his teeth. It is then that an unexpected friendship develops between Jenny Bacteria, the curious young daughter of the president of the bacteria colony, and stubborn Danny, and surprisingly, Danny finally learning the importance of brushing his teeth.

"Danny and Jenny Bacteria" is a touching story about friendship and the importance of healthy teeth, complete with great illustrations. The characters are well-rounded and interesting, and great deal of warmth and humor is incorporated into the book. This story is suitable for children ages 4 to 8. If you want to educate your child about the importance of brushing his or her teeth, along with an extensive social and educational message, you'll find the story of Danny and Jenny Bacteria delightful, intriguing, and full of great educational value.
