## **Croatia Landscape Series** Sunflower Books

From the northernmost shores of the Kvarner Gulf, southwards all the way to Dubrovnik, this walking and touring guide covers Croatia's Adriatic coast, eleven of the myriad islands and two inland areas. It includes the Mljet, Plitvice Lakes, Krka and Paklenica national parks and Biokovo and Ucka nature parks, as well as five of Croatia's six World Heritage sites. Happily, these bald though impressive facts describe one of the most beautiful and beguiling countries in Europe. Contrasts and diversity sum up Croatia: tall forests, wind-combed prickly thornbush and juniper on the stony uplands, the miraculous waterfalls in the Plitvice Lakes and Krka national parks, the aridity of the karst landscapes, modern tourist resorts and timeless old villages, the deserted Krajina region and the intensively cultivated Neretva delta.
